Dante,

Yes I will send them in a email directly to you. Also I am available this afternoon if you have time?

By then I should have all of the invoices to you, I hope.

Thanks

Hi Tashina,

I am following-up on my voicemail left for you today and the message I left with your assistant yesterday. Two things – first, the McGinnis & Associates invoices that you had posted on gmail for me to download – I was unable to access the system and retrieve them. Could you just attach them to an email and send them to me directly? They were all small size files, so they should come through on an email just fine.

Second thing – I spent some time reviewing your grant file and updating myself, and I see that we need to work on your progress report for your previous grant, and prepare your first quarterly report for the current grant. Let's set up a time to chat and make a plan for how to do this. Are you available sometime Monday to chat? Let me know. Thanks!
